- (2) Basic level (400 hours)
- (3) Advanced level (400 hours)

CPE INTRODUCTORY LEVEL COURSES (40 hours) –

This is the minimum requirement to join a hospital chaplaincy team: The introductory CPE course is suitable for lay people, theological students and clergy wanting an orientation into pastoral care in the hospital environment and also insight into the needs and vulnerability of hospital patients and their families. The principles of this course can be translated across into other Pastoral Care settings. This course may be available over one intensive 40 hour week or one day a week over 5 weeks.

Students will also be introduced to theological reflection, spiritual assessment and pastoral care models during this course. The course will help participants become more aware of their listening and responding skills, understand the power of empathy, have a better understanding of the needs of hospital patients and provide students with an opportunity to explore and examine a case study (verbatim) of a visit to a patient by a chaplain or a CPE trainee.

The 40hr INTRODUCTORY course acts as a pre-requisite for the BASIC 400hr course and is the minimal hospital requirement for any volunteer pastoral carers to visit in NSW Hospitals.

The tuition fee in 2019 for Introductory CPE courses will be \$350.00 which includes the cost of the CPE certificate. A minimum number for the course to proceed is normally 8 participants.

The Next 40hr INTRODUCTORY CPE Programs will be:

Multi-Faith group: Monday 1st to Friday 5th July 2019

Christian Group: Monday 8th to Friday 12th July 2019
